IFCA SOFTWARE WINS BEST OF
TOURISM & HOSPITALITY
ASIA PACIFIC ICT AWARD 2005

IFCA, representing Malaysia, has just clinched another prestigious APICITA award for the BEST of TOURISM & HOSPITALITY category at the Asia Pacific chapter in Chiang Mai, Thailand by H.E. Kanawat Wasinsungworn, Vice Minister of Information and Communication Technology of Thailand, on 19 February 2006.

Other respective VIPs who were present to witness this event are YBhg Tan Sri Abdul Halim Ali (Chairman of MDC, Malaysia), Mr. Jumrud Sawangsamud, President of The Association of Thai ICT Industry and Ms. Kruewal Somana, Chairwoman, SIPA

IFCA came top among eight finalists in its chosen category, and among 164 nominees from various organizations, SMEs, entrepreneurs, and students throughout 16 countries in the Asia Pacific region.

This prestigious award was won based on market potential, scalability, functionalities & features, quality, technology, global references sites and established track record.

This award has further proved that IFCA solutions catered to the global market is now recognized at an International ICT event. We are very proud of this prestigious Asia-Pacific award and this will offer us the right credential to further penetrate the global market

IFCA was previously crowned the Malaysian winner of the prestigious MSC Asia Pacific ICT Award (MSC-APICITA) 2005 for the Best of Tourism & Hospitality category by YB. Tan Sri Dr. Koh Tsu Koon, Chief Minister of Penang on 9 September 2005.
