Re : **IFCA INTEGRATED TRADING MANAGEMENT BUSINESS SOLUTION**

Thank you for the excellent work you have carried out for the implementation of **INTEGRATED TRADING MANAGEMENT BUSINESS SOLUTION**.

The very comprehensive and excellent quality of the solution itself, is really exceeded all our expectations and provides complete functionality for sales, trading, finance and accounting.

IFCA Software is the right choice for trading management including for distribution process, we can make decision more faster and accurate because IFCA can support the timely and enquiry report that very useful for us.

We would especially like to thank you and your team, for your professionalism, integrity, and customer orientation during the entire project. You both responded promptly to our questions and acted positively to address our concerns, all to our complete satisfaction.

We certainly look forward to working with you in the future and have no objection to you using us as a reference to prospective organizations if required.

Sincerely,

Judi Harianto
Financial Controller
