IFCA Software Wins Best of Tourism & Hospitality MSC Asia Pacific ICT Award 2005

Conferred by Multimedia Development Corporation

IFCA MSC Berhad (IFCA) received yet another industry accolade when it was crowned the winner of the prestigious MSC Asia Pacific ICT Award (MSC-APICTA) 2005 for the Best of Tourism & Hospitality category by YB. Tan Sri Dr. Koh Tsu Koon, Chief Minister of Penang in an extravagant ceremony in Penang.

The MSC Asia Pacific ICT Awards is an annual awards program under the patronage of YAB Dato' Seri Abdullah Haji Ahmad Badawi aimed to provide recognition to creativity, innovation, and excellence in Malaysian ICT. It recognizes outstanding achievements of individuals, students, entrepreneurs, SMEs and organizations contributing to MSC initiatives.

IFCA came top among eight finalists in its chosen category with over 200 nominees from various organizations, SMEs, entrepreneurs, individuals and students throughout Malaysia which contended for this award.

The MSC-APICTA selects the winner of each of its eighteen categories based on their innovation, uniqueness, technology, market presence and business potential. Winners will represent Malaysia at the international Asia Pacific ICT Awards (APICTA), which will be hosted in Bali, Indonesia this year.

IFCA has also won many other awards such as IBM Industry Leadership Award, Microsoft's Excellence Partner Award, Deloitte Technology Fast Track 500 Asia Pacific, PIKOM's Key Industry Leader and many more.
